

Preparing For A Property Valuation

1. Please let us know before the valuation if you or anyone in your household is sick or showing any possible COVID-19 symptoms, or has been in contact with anyone who is sick or showing possible COVID-19 symptoms.
2. Before the valuation is due to commence please open all internal doors - this stops the negotiator from having to touch surfaces and helps create airflow around your property.
3. If it's safe to do so please also open your windows prior to the viewing.
4. If you'd feel more comfortable vacating the property, or staying in one room or your garden/outside space, please let us know as we'd be happy to accommodate.
5. Whilst social distancing is currently not mandatory we do ask that you please try to maintain a safe distance between yourself and our staff, for everyone's safety. Please do not shake our team member's hand (they won't be offended!).
6. Wearing a mask is also no longer mandatory. However, if you feel safer wearing one please do so. If you would like our staff to wear one please let us know when booking your valuation.
7. Please wipe down any surfaces our staff may touch before the valuation.
8. Make sure to clean surfaces after the valuation.
9. Please be aware that we are currently not giving out property packs and brochures, to minimise potential spread. We will send you a digital copy of our brochure and any other relevant information and paperwork.

These measures are to keep you, your household and our team safe.
Thank you for your patience.

Please note: If you feel that the valuation of your property was not carried out safely please contact one of the below company directors:

Mark Scales (Sales Director): mark@daviesdavies.co.uk

Alex Reach (Lettings Director): alex@daviesdavies.co.uk
