

Preparing For People Accessing Your Property (Contractors + Tradespeople)

1. Please let us know before the viewing if you or anyone in your household is sick or showing any possible COVID-19 symptoms, or has been in contact with anyone who is sick or showing possible COVID-19 symptoms. If you booked the appointment directly with the contractor, photographer, surveyor or other person you must notify them directly.
2. Before the contractor and/or tradesperson is due to access your property please open all internal doors. This stops the contractor or tradesperson from having to touch surfaces and helps create airflow around your property.
3. If it's safe to do so please also open your windows prior to the appointment.
4. Whilst social distancing is currently not mandatory we do ask that you please try to maintain a safe distance between yourself and our contractors and/or tradesperson, for everyone's safety. Please do not shake the contractor and/or tradesperson's hand (they won't be offended!).
5. Wearing a mask is also no longer mandatory. However, if you feel safer wearing one please do so. If you would like our contractors and/or tradesperson to wear one please let us know as soon as possible prior to the appointment or visit.
6. If possible, please wipe down any surfaces the contractor or tradesperson may need to touch before the appointment.
7. Make sure to clean surfaces after the appointment.

These measures are to keep you, your household, our contractors and tradespeople safe. Thank you for your patience.

Please note:

If you feel that the appointment at your property was not carried out safely please contact the appropriate departmental director:

Mark Scales (Sales Director): mark@daviesdavies.co.uk

Alex Reach (Lettings Director): alex@daviesdavies.co.uk
